

# LOTS 1-4: TWO YEAR OLD BULLS

The first four lots in the sale are full two-year-old bulls. These bulls have never been offered for sale. Lots 1-4 were used in our registered herd last breeding season - all will have calves on the ground by sale time. All have great, not just good, dams. The bulls ran on winter pasture until about the first of the year. Since that time, they have been on pasture, hay, and about 10 pounds of corn and oats. Don't expect to see fat "bull sale" condition on the bulls. They are ready to go to work. KCK Leadore Angus Ranch will retain a one-third semen interest in each of these bulls.
