## Ranch Bulls

from our natural dry range ranch program.

They're made to live and produce on short feed resulting in the most effective cows for efficient production.

Raised at 6,000 to 8,000 Feet Elevation

- Over 40 years of consistent selection for practical, right size, functional cows with correct feet, legs and udders.
- Calving ease without sacrificing growth.

**43<sup>rd</sup> Annual Sale**  
**March 21, 2008**  
**1:00PM at the Ranch**  
 8 miles north of Leadore on Hwy 28.
